

FIND A WAY – danced to:

Find a Way – by Trisha Yearwood (S)

Start with grapevine to the right (right, left, right, tap left);

Step out with left foot, bring it in while turning $\frac{1}{4}$ turn to left, then step out with right foot and bring it in (tap);

Step forward at a diagonal with right foot, close with left tap;

Step backward at a diagonal with left foot, close with right tap;

Step out with right foot, touch left, cross right foot over and hold for one count;

(Rhumba box) – Step out with left foot, close and tap right; step forward with left foot, close and tap right; step out with right foot and close and tap right; step back with right foot and close and tap left;

Step forward on left foot, make $\frac{1}{4}$ turn to left while stepping on right foot, step left and brush right foot;

Finish with jazz box with right foot over, then left, then right and finish with left foot coming across the right.

Begin dance again.
