Laughter Along Our Path

By Manya Carney (Four Seasons Resident)

A couple in Four Seasons related a funny story. One afternoon they were at home watching a professional basketball game on television. The half time show began and three young men were called out of the audience to participate. They each got one turn to try their luck at shooting a basketball through the hoop from half court.

The couple at home were rooting for each of these athletes along with the live audience at the sports arena. They were speculating what the grand prize would be...a motorcycle, a new car, a trip to the Caribbean...what could it be?

Laughter filled the room when the grand prize was finally announced to the winner: A lifetime supply of TATER TOTS!

SAFETY TIPS MAY 2022

Hi folks,

Here is a list of reminders for members to assist in keeping our community safe!

1. Is the garage door closed?
2. Are all car windows up?
3. Are the car doors locked?
4. If you have a garage remote in your car, remove it.
5. Are all items in your car removed? Remember, it might be only an empty store bag, but the thief sees a bag that “might” contain something valuable. Those cheap sunglasses looked expensive in the dark through the car window.
6. Is the door between your house and garage locked? If your garage door opener pad has a lock or disable button, do so when you lock your doors.
7. Are all home windows closed and locked?
8. Are all house doors locked?

Let's keep an eye out for each other and stay safe.

A MESSAGE FROM YOUR BOARD PRESIDENT

Board President Kathy Clark

Taco Tuesday was really fun. I thought the food was good and I heard the margaritas were yummy. It is always good to get together with our friends and neighbors. People used the café, ballroom and patio areas to enjoy the company of others. As of the writing Tuscany Night is coming up and I know it will be beautiful time on the patio with live music. When we look around at our beautiful surroundings how can we not think of our Lodge and grounds as a resort. The pool area reminds me of Hawaii. We are so lucky to be here.

The North Gate area is getting a much needed facelift and it looks wonderful. The lights in the middle islands will be working soon giving the North Gate trees beautiful lighting at night. Thank you to the landscape committee for their vision. We would love to upgrade the Paseo and parkways this year but that is just not possible because we need to be careful with our Reserves. Landscape projects for 2022 came in well under the budgeted amount so not only are the Lodge grounds and North Gate entry updated, and improved, but the remaining funds will be carried over to the 2023 Reserves.

See you around our beautiful neighborhood!

TUSCANY NIGHT

Thank You to everyone who enjoyed the night with us!

WWII MEMORIAL

By Kitty DeArmond (Four Seasons Resident)

WWII Memorial

Jastro Park has been selected as the location for the Kern County WWII Veterans Memorial. According to their website, the committee in charge of bringing this project to fruition is comprised of local volunteers determined to honor and memorialize our country's "Greatest Generation."

The Memorial will consist of six large black granite pieces placed in a semicircle. Each granite piece will represent the six branches of the American Armed Forces which were engaged in WWII. Engraved on the front of each black granite piece will be the names of the 684 Kern County WWII Veterans who lost their lives in action during the war. Engraved on the opposite side of the black granite pieces will be the names of sponsored Kern County WWII Veterans who served and returned home.

WWII MEMORIAL (CONT'D)...

Four smaller black granite pieces at the forefront of the memorial will display the names of the organizations that supported the war effort. The perimeter of the memorial will have six solid granite benches. An etched educational timeline depicting events of WWII will also be included.

The Memorial Centerpiece will have a three foot base with the county and city seals placed on it. Also included will be six gold stars representing each of the branches of Armed Forces, as well as the name of the memorial.

On top of the base will be a full size sculpture depicting a mother holding her child after she has read a telegram that says, "The War Department regrets to inform you..." This sculpture will be the work of Benjamin Victor.

Benjamin is a nationally known and is the only living artist to have three works on display in National Statuary Hall at the U.S. Capitol. He was a graduate of Foothill High School and is the son of Four Seasons residents Jeffrey and Joyce Victor.

The tentative dedication for the memorial is for Veteran's Day, Friday, November 11, 2022.

The vision of World War II committee is "To serve our community with a beautiful memorial honoring Kern County WWII Veterans that will be a place of reverence, remembrance, and education for all who visit."

In order to accomplish this worthwhile project donations are needed. If you know a WWII veteran his, or her, name can be added to the memorial. Please visit their website at kerncountywwiimemorial.com for details and how to donate.

LANDSCAPE COMMITTEE

By Committee Leader - Jann Klein

The beauty of our community is showing up everywhere you look. All of the hard work and dedication of the Board of Directors, Stay Green and Landscape Committee members demonstrates that continuing to improve and enhance our development is paying off. It's very important and clearly stated that maintenance throughout the community is to be maintained in compliance with the CC&R's Article 12 (b) landscape provisions. Time definitely plays a role in realizing that everything and everyone, in fact, has from time to time required updating. The committee will continue its involvement in getting ahead of a problem rather than just reacting. It's a full time commitment for the committee members and all of them deserve your thanks for their dedication and loyalty to the Four Seasons community.

As stated in the Board meeting, the committee is continuing to upgrade, maintain and enhance the lodge grounds. Half of this project has been achieved and it's absolutely beautiful, now on to finishing the other half of the grounds before going onto the next landscape project. While completing this job, the irrigation will be updated to accommodate the latest and most efficient system which in turn will save us money, replacing old plants with draught tolerant plants, adding color, new bark and enhancing the turf areas. It's a win, win for this community. Please realize that a lot of time is spent developing a large area and it takes a lot of time to complete but all of the committee members and Stay Green are up to the challenge. I don't know if homeowners realize that the entire community is broken down into five areas, each committee member is responsible to oversee their section and report back to the monthly meeting anything they see that is out of compliance, needs attention or improvements.

Not everything can be done at one time but any items thought to be out of compliance will be on a list provided to Stay Green and when completed are removed. They are continually overseeing the total maintenance, making sure that each area is well represented and details are being met. What a commitment they have taken on and what a great job they all do.

LANDSCAPE COMMITTEE CONT'D

I hope everyone has had the time to go through the back gate (north gate) and appreciates the improvements and changes. As stated before, the back gate areas has not had anything done to the entry since inception and a lot of it was dead, over grown and had used up its useful purpose when planted. Again, the committee is thrilled with the new clean look and the beauty it brings to the Four Seasons!

Have a wonderful spring and remember it is time for the Board elections and committee's member positions to be filled. All homeowners are invited to participate in a committee as this helps to bring ideas and suggestions to a committee which in turn brings diversity in thoughts and creates new visions.

FROM YOUR ARC FRIENDS

By Sandy Moffett (Four Seasons Resident)

Promises of Renewal

No matter your background, most people groups (faiths, if you will) celebrate a time of renewal, rebirth or reawakening each year. These are just a few:

- Púskita
- Easter
- Yule
- Passover
- Kwanzaa
- Nar-Rúz

Each of these practices has its own nuances, but the common thread is one of hope, a time to forgive, a time for a new beginning. As we watch our community transform from dormancy to renewal – from blah to beautiful, my prayer for us all would be that our hearts and minds be renewed as well.

Reach out to your neighbor – share a kind word – pet a puppy.

Find a way to bless others and you will be blessed in return.

Happy Spring!

Thank you to everyone who displayed their crafts, hobbies, and collections at the Fair on Saturday, April 30th. We appreciate all those who attended and had a chance to visit with neighbors and learn about their interests.

Now is the time to purchase tickets for the second annual Raffle Fundraiser for the Dream Center (\$1 each or 25 tickets for \$20). Raffle tickets can be purchased from Neighbor 2 Neighbor Club members or in the Lodge Ballroom on Friday, May 13th from 6:00 pm to 7:00 pm and Saturday, May 14th from 9:00 am to 2:00 pm. The drawing for the raffle items will be held at 2:00 pm on Saturday May 14th. You do not need to be present to win, but be sure to write your name and phone number on each ticket. Some of the raffle items will be on display in the Lodge. Many generous people in our community donated items for last year's raffle such as dinner and wine baskets, wreaths, gift cards, manicure basket, movie snack items, gardening items, ice cream party basket, dog lover items, succulents, items to pamper you, and many more. If you are interested in donating a basket or item for this fundraiser, we need to know what the item is by Friday, May 6th. All proceeds from this fundraiser will be used to purchase items needed by the emancipated foster youth as they settle in their first apartment.

Our next club meeting is Tuesday, May 3rd at 1:00 pm in the Arts & Crafts Room.

All community members are always welcome to attend.

Social Committee - Donna Tillmann (Committee Member)

I'm praying this finds everyone enjoying this beautiful weather and looking forward to some fun in the sun.

Speaking of which, as I'm writing this, I'm praying we had enough folks sign up to play in our 1st Annual Four Seasons Golf Tournament. We needed at least 36 folks to sign up in order to have it and as of this date, it wasn't looking promising. Let's hope more folks got interested and I can write about the fun everyone had next month. We shall see...

On another note, our Tuscany Night was a sell out. I can't wait until next month to talk about the evening and show a preview of the fun that was had by those in attendance. Tuscany Night always seems to be one of most enjoyable events.

Mark your calendars for Saturday, May 14h, as we will be having "Wine Me Up!" Come for a Wine Tasting event in our ballroom. Watch for details of this event.

Can you believe that our 4th of July celebration is right around the corner? This year we will be celebrating on Saturday, July 2nd, with a Parade and Ice Cream Social. I won't go into all of the details now, but be getting your decorations ready for your golf carts, bicycles, or anything on wheels. We will be parading around our community and showing our patriotism that morning. There will be a map available for the route we will be taking so the community can be waving their flags as the parade goes by. Afterwards, we will be continuing the celebration with an Ice Cream Social for everyone to enjoy. Be sure and look for additional information coming out about this fun-filled day!

The other big event to look forward to is our Annual Pool Party. It is going to be filled with fun and laughter, with great food and great music. This event will take place on Saturday, September 17th. Keep an eye out for more details.

CLUBS & CLASSES

Social Committee - Donna Tillmann (Committee Member) CONT'D...

It doesn't look like we will be going to a Dodger Game this year, as not enough folks showed an interest. It's a lot of fun, but takes a lot of planning and without a commitment, it just isn't something we could do.

Well, that about does it for this month. Don't forget to grab an application and fill it out if you are interested in being a part of the Four Seasons Social Committee. It would be wonderful to see some new faces with some new ideas on the Committee for the coming year!

Until next time...see you all around the neighborhood!!!

Chair Yoga Class - Melanie Yates (Club Leader)

Chair Yoga is a great way to gain strength and flexibility! You do your poses according to your ability level. None of us are very experienced—we're all learning together!

Beginning in May, we're going to start meeting at 9:00 a.m., Monday, Wednesday and Friday. If you have any questions, please text or call Melanie Yates, 661.703.0740.

Dignity Health, formerly Catholic Healthcare West, is a California-based not-for-profit public-benefit corporation that operates hospitals and ancillary care facilities in three states. Dignity Health is the fifth-largest hospital system in the nation and the largest not-for-profit hospital provider in California with headquarters in San Francisco and founded in 1986 by the Sisters of Mercy.

Every few months Dignity Health presents seminars to the Bakersfield community. In April the topic was focused on women and the subject was 'What Is Happening Down There.' The Ladies Luncheon Club was asked to participate with a lunch provided in the ballroom with Dr. Justin Lee attending. At the last minute he was unable to attend and the seminar was presented over Zoom. To bad he missed seeing all the 47 lovely ladies wearing Easter Bonnets! I enjoyed seeing all the hats and I hope you did too. Great Job Ladies!

Friday, May 20, 2022 at 11:30am, we will be going to Rio Bravo Country Club, 15200 Casa Club Drive. The sign up sheet is at the front desk. Meet at the flagpole between 11/11:15am if you need or can give a ride.

Killer Kern by Phyllis Wachob is our book for May.

The long awaited sequel to the first Kern Kapers mystery Body in the Orchard. Will we find out what happened to Vermilion Blew's fiance, who had left the day before their wedding, 38 years ago? Is he alive or dead? Read the book to find out and enjoy discovering the real places in Bakersfield and Kern County that are written into the novel. Some examples are the Sugar Mill, Dewar's, the Rice Bowl and the Kern River.

The Book Club will meet on May 19 at 10:00a.m. in the Library.
